

## Pay Employees on Time, Every Time.

Is there a better way to manage payroll? With QBS, the answer is yes! Our team of specialists handle everything from issuing checks and filing taxes, to managing garnishments and preparing W-2s. Meantime, our secure, cloud-based payroll technology allows you to conveniently access and submit your payroll from any device or location. When integrated with our Time and Labor Management (TLM) solution, you'll achieve even greater efficiency in scheduling, monitoring and maintaining compliance with complex regulations.
