ABOUT THE CHAMBER

PROMOTE, PROTECT & IMPROVE

Myrtle Beach Area Chamber of Commerce has represented the Grand Strand's business community since 1938. The chamber serves Myrtle Beach, North Myrtle Beach, Surfside Beach, Little River, Atlantic Beach, Garden City Beach, Loris, Conway, Aynor, Murrells Inlet, Litchfield Beach, Pawleys Island, Socastee and Carolina Forest. There are three primary functions performed by the chamber:

Promote Business: The chamber serves as the primary destination marketing organization and promotes the tourism industry out-of-market. The chamber also provides numerous opportunities for local businesses to promote themselves to visitors, residents and other businesses.

Protect Business: The chamber seeks to influence legislation and regulation by local, state and federal governments in a proactive manner, supporting legislation that benefits businesses and the communities they reside in and, where necessary, opposing legislation that unnecessarily inhibits businesses.

Improve Business: The chamber offers a multitude of programs and services that assist businesses and individuals.

Myrtle Beach Area Chamber of Commerce is accredited with five-star distinction by the U.S. Chamber of Commerce. Only about 3% of all chambers across the nation earn accreditation and about 1% of those achieve the five-star standard. The honor recognizes our commitment to excellence.

COMMITTEES

Myrtle Beach Area Chamber of Commerce exists to promote, protect and improve Grand Strand businesses. The chamber does so through the work of its board of directors and committees, as well as special task forces appointed as needed. Committees are made up of representatives of member businesses and organizations. New people are added to committee rosters at the start of each year.

Business Development Committee oversees the programs and services designed to benefit the chamber's members and serves as the voice of small business.

Marketing Council oversees policymaking and resource allocation specifically by and for tourism promotional efforts of the chamber.

Lodging Director of Sales Committee learns more about the convention and visitors bureau's efforts to promote the destination through group sales and communicates the needs of the properties. The committee ensures that the properties are maximizing their investment with the chamber and CVB.

Finance Review Committee reviews regular financial statements of the chamber and oversees the audit and budget process.

Advocacy Council facilitates a unified effort in advocacy of pro-Grand Strand, pro-business public policy. The council monitors public policy trends and issues for potential impact on the private sector and/or Grand Strand. It also reviews local/state/federal legislation and initiatives and strategically collaborates to enhance success in the public policy arena.

Grand Strand Young Professionals Steering Committee works to provide constructive social networking, professional development, and community engagement to young professionals in and around the Grand Strand.

Community Engagement Council works to improve the community via their time, talents and investment in distinct projects.

The Nonprofit Council provides nonprofit investor organizations with a venue to network, exchange ideas, collaborate and discuss public policy issues impacting the nonprofit community.

Ignite Women's Council's mission is to empower and support women in our community by providing opportunities to connect and exchange ideas, celebrate accomplishments and champion growth and success. This council helps plan the annual Ignite Women's Conference.
