How to create your Business Directory listing:

Listing your business on Georgetown SC Gazette gives you access to a free, password-protected profile where you can:

- Add events to our calendar (such as special promotions).
- Share news about new product lines.
- Announce employee promotions or recognition your business receives.
- Post job openings.

Utilizing your profile is the best way to guarantee your news is published. I have included the quick directions below:

1. On the top right corner of the website, click **REGISTER / LOGIN.**

2. On your first visit, select **New User Registration**. (Username and email are the only required fields).

3. Once on your dashboard, click **Submit a Press Release**, **Add an Event**, **or List Your Business**.

4. Be sure to include a logo or a photo for your business or organization.

5. Click **Submit for Review**. We will send you a link to your announcement so you can share it with your team and on social media.

6. Finally, ensure your business is listed in the Directory by clicking **List Your Business** in the Dashboard. Just follow the prompts to showcase your business or organization and submit.
